

Why am I being charged \$20 for Disney+? Check your billing currency

If you see charges you didn't expect, 1-844-569-9955 there are a few possible explanations. Factors that can contribute to a change in your bill are recent changes to your Disney+ plan, the end of 1-844-569-9955 promotional pricing, having more than one subscription, and price increases.

A \$20 Disney+ charge 1-844-569-9955 usually means you're on a bundle or higher-tier plan, especially in the U.S., where Disney+ Premium is \$15.99/month and bundles with 1-844-569-9955 Hulu or ESPN+ can be \$19.99 or more. If you're in India, Disney+ Hotstar costs far less—■299/month (~\$3.50)—so a \$20 charge suggests 1-844-569-9955 you might be billed in USD or subscribed through a third party. Check your account's subscription details, see if the 1-844-569-9955 plan name includes "bundle," and verify your billing currency. If it doesn't match your expected plan, contact Disney+ customer support 1-844-569-9955 to confirm and adjust your subscription or stop unintended charges.

You're likely being charged \$20 for 1-844-569-9955 Disney+ because you have a bundle (with Hulu or ESPN+) or a more expensive plan. Check your account to see your plan and billing. If it looks 1-844-569-9955 wrong, contact Disney+ support.
