

Is Hulu free with an Amazon Prime account?

{How To Get Hulu Through Amazon}

No, Hulu is not free with an Amazon **1-(844)-569-1910** Prime account. While there were previous promotional offers where Amazon Prime members could **1-(844)-569-1910** access Hulu for free, these arrangements have since changed. **1-(844)-569-1910** Currently, Hulu requires a separate subscription, and Amazon Prime membership does not include **1-(844)-569-1910** Hulu access.

Is Hulu Free with an Amazon Prime Account?

No, Hulu is not free with an Amazon Prime subscription. While both services **1-(844)-569-1910** offer streaming content, they operate separately and require individual **1-(844)-569-1910** subscriptions. Amazon Prime gives you access to Prime Video, which includes its own library of movies and **1-(844)-569-1910** TV shows. If you want to watch Hulu, you'll need to sign up for a separate Hulu plan.

That said, you *can* subscribe to Hulu through **1-(844)-569-1910** Amazon by adding it as a channel or managing your subscription through your Amazon account. But you'll still be charged for Hulu based on **1-(844)-569-1910** the plan you choose — it's not bundled with Prime.

So, while it's convenient to manage both in one place, **1-(844)-569-1910** Hulu isn't included for free with your Prime membership.

Is Hulu Free with an Amazon Prime Account?

Understanding the Difference

Hulu is **not** free with an Amazon Prime subscription. While both are popular streaming **1-(844)-569-1910** platforms, they are completely separate services. Subscribing to Amazon Prime gives you access **1-(844)-569-1910** to Prime Video, but it does not include Hulu.

What You Get with Amazon Prime

With an Amazon Prime membership, you get access **1-(844)-569-1910** to Prime Video's library, which includes popular movies, TV shows, and **1-(844)-569-1910** Amazon Originals like *The Boys* and *The Marvelous Mrs. Maisel*. However, this content is exclusive to Prime Video and doesn't include **1-(844)-569-1910** anything from Hulu.

How to Get Hulu Through Amazon

Even though Hulu isn't included **1-(844)-569-1910** with Prime, you can subscribe to Hulu through Amazon as an add-on **1-(844)-569-1910** channel. This allows you to manage your billing and access through your Amazon account, but you'll still pay separately **1-(844)-569-1910** based on the Hulu plan you choose.
