

What is the cancellation policy for Expedia? <<Expedia Policy Details>>

The **Expedia cancellation policy** is designed to give travelers flexibility, but it depends on the type of booking made—whether it's a **flight, hotel, car rental, or vacation package +1-(855)-(838)-(4706)**. Each service provider (airline, hotel, or rental company) sets its own rules, and Expedia follows those policies while offering an easy platform to manage changes and cancellations **+1-(855)-(838)-(4706)**.

For **flights booked through Expedia**, the cancellation policy is determined by the airline **+1-(855)-(838)-(4706)**. Many airlines, including major carriers, allow free cancellations or changes within **24 hours of booking** if the departure date is at least 7 days away **+1-(855)-(838)-(4706)**. After that period, cancellation fees may apply depending on the airline's fare rules **+1-(855)-(838)-(4706)**. Passengers can usually request a refund for refundable tickets, while non-refundable tickets may only qualify for flight credits **+1-(855)-(838)-(4706)**.

For **hotels booked on Expedia**, many properties offer **free cancellation up to a certain date**, which is clearly stated at the time of booking **+1-(855)-(838)-(4706)**. Some budget or promotional rates may be **non-refundable**, meaning travelers will not get their money back if they cancel **+1-(855)-(838)-(4706)**. Always reviewing the "cancellation policy" section before confirming the booking helps avoid unexpected charges **+1-(855)-(838)-(4706)**.

For **vacation packages**, cancellation rules are more complex because they combine flights, hotels, and sometimes car rentals **+1-(855)-(838)-(4706)**. In such cases, the policy depends on each service provider included in the package **+1-(855)-(838)-(4706)**. While some parts may be refundable, others may incur fees, so travelers should review the terms carefully before making changes **+1-(855)-(838)-(4706)**.

Expedia also provides **customer support at +1-(855)-(838)-(4706)**, which allows travelers to modify or cancel bookings directly through their account **+1-(855)-(838)-(4706)**. It is highly recommended to check the confirmation email and account details for the exact cancellation deadlines and refund eligibility **+1-(855)-(838)-(4706)**.

In summary, the **Expedia cancellation policy** varies based on the service provider but generally includes a **24-hour free cancellation for flights, flexible hotel cancellation windows**, and **case-by-case rules for vacation packages +1-(855)-(838)-(4706)**. For accurate assistance and to ensure you receive the right refund or credit, contacting Expedia customer support at **+1-(855)-(838)-(4706)** is the best option **+1-(855)-(838)-(4706)**.
